COMPANY OVERVIEW

Atlantic Meridian LLC is a minority-owned Nevada small business providing cybersecurity and compliance consulting to **federal agencies, state and local governments, nonprofits, healthcare and education organizations, and commercial companies**. Work is principal-led, scoped in writing, and available directly or as a subcontractor to primes.

CORE COMPETENCIES

- **RMF / ATO support:** categorization, control selection, SSP authorship, control assessment support, POA&M management, continuous monitoring, and ATO package readiness (NIST SP 800-37, 800-53, 800-171).
- **Risk and compliance assessments:** NIST CSF 2.0 gap assessments, HIPAA Security Rule risk analysis, SOC 2 readiness, and CMMC / NIST 800-171 readiness.
- **SOC, EDR & detection:** detection engineering, alert triage, SIEM/SOAR and EDR tuning, and workflow automation.
- **IAM, PAM & Zero Trust:** privileged access design, identity governance, MFA/SSO, and least-privilege programs.
- **Cloud & hybrid security:** AWS, Azure, and hybrid security baselines and configuration reviews.
- **AI governance & AI-enabled security:** governance aligned to the NIST AI RMF and AI-assisted security workflows.
- **Fixed-fee assessments:** written gap analysis, prioritized remediation roadmap, and evidence checklist.

DIFFERENTIATORS

- **Principal-led:** the founder is directly involved in scoping, delivery, and review.
- **Framework fluency:** RMF/ATO for federal work; NIST CSF 2.0, HIPAA, SOC 2, and CMMC for state, local, healthcare, education, nonprofit, and commercial work.
- **Clear, written scope:** deliverables, timeline, and price stated up front. Fixed price or T&M.
- **Teaming-ready:** supports primes on set-aside and full-and-open work. No claimed vehicles or certifications we do not hold.
