COMPANY OVERVIEW

Atlantic Meridian LLC is a Nevada small business providing cybersecurity and AI consulting for federal agencies and prime contractors. Focus areas: RMF/ATO support, SOC/EDR operations, IAM/PAM and Zero Trust, cloud and hybrid security, and fixed-fee assessments. Principal-led delivery. Teaming-ready subcontractor.

CORE COMPETENCIES

- RMF / ATO: categorization, SSP/ISSP, ST&E support, POA&M, ConMon, FISMA-aligned packaging (NIST SP 800-37 / 800-53 / 800-171).
- SOC / EDR: CrowdStrike Falcon, SIEM/SOAR correlation, detection engineering, incident response.
- IAM / PAM: privileged access, IGA/PAM platforms (including Saviynt-class), MFA/SSO, least privilege.
- Cloud security: AWS / Azure / hybrid baselines, identity and configuration hardening.
- Assessments: short fixed-fee readiness reviews with written remediation roadmaps.
- AI-enabled SecOps: automation and assisted triage grounded in operational programs.

DIFFERENTIATORS

- Principal-led cyber delivery with senior attention on scoped statements of work.
- Company point of contact for capture, contracting, and teaming.
- Practitioner depth and staffing for an opportunity are provided under NDA and on proposal.
- Honest new-entity posture: no LLC past performance yet; firm past performance is listed only as earned.

DELIVERY

Atlantic Meridian is a principal-led Nevada small business. This statement does not name individuals or list personal certifications. Contracting officers and primes receive practitioner detail under NDA and in the proposal. The company is teaming-ready without a public personnel roster.
